The one player to hit the Ace-King of Spades gets the pot

If no one hits the Royal Draw, the pot is pushed to the next week.

When the pot is more than a \$1000, there will be a table split – 70% goes to the winning player, 30% split among the other players at the table.

If the pot reaches \$2500, then the table will draw to any Ace-King with the same table split available.

BAD BEAT JACKPOT also coming to all cash games! Pot will start at \$100!
